COMMUNICATION

Honorable Commissioner for Patents
U.S. Patent and Trademark Office
Randolph Building
401 Dulany Street
Alexandria, VA 22314

Sir:

Please note that the references cited in the most recently submitted IDS were all made of record in the prosecution of US 2006-0276502 (i.e., 10/550,516) and US 7,659,278 (i.e., 10/505,407) both of which were cited in the IDS of February 12, 2010.

Pursuant to U.S. practice, the IDS and references should be considered as they are being submitted after the filing of an RCE, and the USPTO to date has not issued any Action on the case.

Please consider the references and return an
